## Hassle-free services for your faulty drains

We have vast experience and expertise within the Drainage industry. We can be trusted to deliver all forms of Drainage maintenance and improvement services. If you are looking for professional and economical solutions our expert teams can help. From initial diagnosis through to warranted remedies, we offer our customers a peace of mind one stop shop which will keep your drainage systems in top condition.

A leading drain company  
in Bristol serving throughout  
the South West and M4  
Corridor

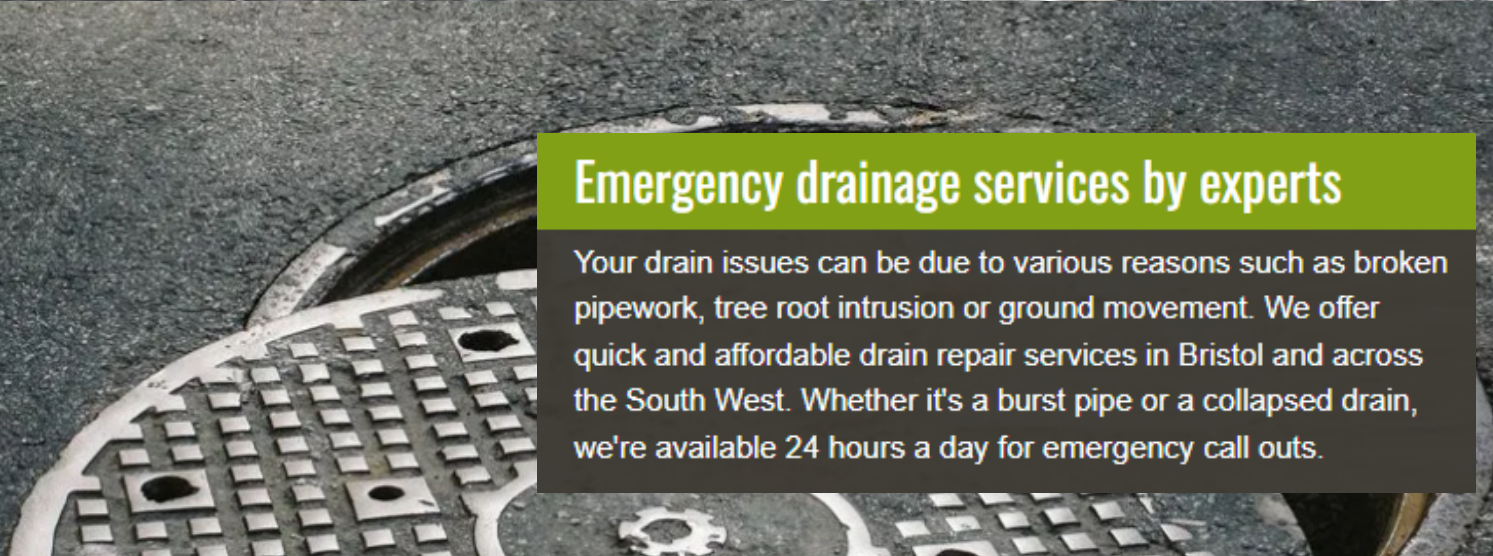

Domestic Drains Services Ltd have a long standing relationship with publicly funded Social Housing Providers including local Authorities and Housing Associations. We are Bristol City Council's current principle supplier of Drainage Maintenance and Improvement Services and have been so for approaching 30 years.

We also work under contract for Gloucestershire County Council and the London Borough of Ealing. We also have formal contractual arrangements in place with a number of Housing Association customers including: Sovereign, Vivid, The Guinness Trust, Elim and LiveWest.

## Emergency drainage services by experts

Your drain issues can be due to various reasons such as broken pipework, tree root intrusion or ground movement. We offer quick and affordable drain repair services in Bristol and across the South West. Whether it's a burst pipe or a collapsed drain, we're available 24 hours a day for emergency call outs.
